

NEW FOR 2023!

#6010 INSTA EURO 3X4 WINDOW

#6010 INSTA Euro 3x4 Window DESCRIPTION:

Our INSTA Euro 3x4 Window is a new version of our tried and true #6066 INSTA Window that offers a heavy-duty one-piece integrated steel frame to provide ease of installation, strength, and security.

This window is 3'x4' (0.91m x 1.22m) in size and has a superior quality dual pane aluminum insert window.

The INSTA Euro Window is designed to utilize a bolt-on or weld-in application, the choice is yours.

Our new INSTA Euro Window boasts a unique window opening feature that allows the window to be opened in two completely different ways, creating excellent versatility.

The locking bug screen is also a great feature of our new window. It utilizes a sliding lock from the inside to enhance security, lock in place or remove quickly in an emergency.

The new #6011 INSTA Euro 3'x4' Security Screen will also be available as an add on to this great new product.

WARNING - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate, there is the possibility the products have been updated or a small variance between production made the measurement off. Installation of products may require some fabrication experience, and in no way does warranty cover installation mistakes.
