

NO WELDING OR PAINTING REQUIRED!

#6066 INSTA 3'X4' WINDOW

#6066 INSTA 3'X4' WINDOW DESCRIPTION:

This INSTA Window has a heavy-duty one-piece nine-gauge integrated steel frame to ensure strength and security. This window is 3'x4' (0.91m x 1.22m) in size and has a superior quality dual pane PVC window. The INSTA Window is designed to be bolted on to the container so no welding is required. The product includes a sliding bug screen and a drip plate. A security screen is available for an additional charge.

WARNING - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate, there is the possibility the products have been updated or a small variance between production made the measurement off. Installation of products may require some fabrication experience, and in no way does warranty cover installation mistakes.
