

#6066 INSTA 3'X3' WINDOW

#6066 INSTA 3'X3' WINDOW DESCRIPTION:

This is one tough and stylish window! This window looks as good as it is strong. Designed for maximum security, the grate can be opened from the inside allowing an unobstructed view. This window is 3'x3' (0.91m x 0.91m) and can be bolted on or welded in if desired to the container wall. The frame is made of 14 gauge steel square tubing. The product includes a sliding bug screen and a drip plate.

WARNING - All products that require installation or fabrication should never be done until you have the product in hand to take exact measurements. While every attempt is made to make sure product specifications are accurate, there is the possibility the products have been updated or a small variance between production made the measurement off. Installation of products may require some fabrication experience, and in no way does warranty cover installation mistakes.
